The Applicant acknowledges that the information provided here is true and current and that the ACSKG may contact references in order to confirm this information.

The Applicant acknowledges that there are no reasons why they would not be able to safely and competently guide sea kayak tours due to physical, psychological or other restrictions. The Applicant has read and understood the ACSKG Guide Requirements ( [www.acskg.ca/standards](http://www.acskg.ca/standards) ) and agrees to follow ACSKG Standards to the best of their ability, for all their commercial sea kayak tours in Canada. Additionally, the Applicant agrees to follow ACSKG Minimum Impact Standards ( [www.acskg.ca/impact](http://www.acskg.ca/impact) ) and continue to develop a high level of competency with each category of the ACSKG Leadership Course Core Curriculum ( [www.acskg.ca/curriculum](http://www.acskg.ca/curriculum) ).

The following points are extracted from ACSKG Standards:

- Clients must remain between the two guides and within vocal range of the guides while on the water.
- Minimal deck loads are required in order to maximize the seaworthiness of each kayak.

By signing below, the Applicant agrees to follow ACSKG Standards ( [www.acskg.ca/standards](http://www.acskg.ca/standards) ).
